

Kittery Point Community Supported Fishery

Contract for summer 2012 Lobster Share

To become a member of the KPCSF lobster share please read, complete and sign this contract.

This is an 8-week share period starting the week of July 16th, and ending the week of September 3rd. Lobster provided by Steve Lawrence of Kittery, ME.

Members anticipate an approximate amount of lobster they want at the start of the share season. Let's call it a lobster debit account! When you want your lobster simply get in touch with Steve at **207-475-4649** and let him know what you want and when you want it.

The cost will be \$4.00 per pound over the course of the share season and will be deducted from your account when you pick it up. For example \$50 would get you about 10 1¼ pound lobsters. You can add to your account at any time or extend the season. Steve is very flexible and we will be continuing to work with him through the fall and winter.

Pick-up location: Steve's wharf is located at the end of Pleasant St and back end of Warren's parking lot in Kittery (more details to follow).
